Dear Steve,

I just wanted to let you know how impressed I am with Tim. He has been great to work with on updating our website. Any time I have had a problem or needed something changed he has responded immediately. It has truly been a pleasure working with him and I just wanted to let you know this. I know from an employer's standpoint how hard it is to find good dedicated employees and Tim is diffidently one of them. I look forward to working with him in the future.

Thank You,

Christine Wintringer
