Dear Steve,

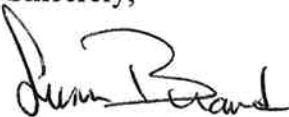

We have been affiliated with PCA for many years and have come to trust and enjoy our business relationship.

Through the years our company has grown extensively as has our I.T. needs; without the assistance of your experienced reps we surely would not be the successful organization we are today. Because we do not have an I.T. person on staff we rely heavily the expertise and knowledge of the personnel at PCA. Many times we have had to call and request immediate assistance and thanks to your friendly and efficient staff we have had many problems solved in a timely fashion.

We look forward to many more years of service from PCA.

Thank you for your continued excellent service.

Sincerely,

Susan Brand
